

RELATIONSHIP FRAMEWORK

SPECIFIED BY

THE MINISTER FOR FINANCE

IN RESPECT OF

THE RELATIONSHIP BETWEEN

THE MINISTER FOR FINANCE

AND

IRISH LIFE & PERMANENT GROUP HOLDINGS P.L.C.

DATED 29 MARCH 2012

PREAMBLE

ILPGH has received significant support from the State in the context of the financial crisis because of its systemic importance to the Irish financial system. This support has taken various forms including capital injections and various guarantees. As a result of the State support measures, the State holds circa 99.24% of the ordinary shares of ILPGH.

It is envisaged that the State's interest in ILPGH will be divested as market conditions permit in a manner which protects and enhances value for the Exchequer, in so far as possible, in relation to the investment made by the State.

The legal basis for this Relationship Framework is set out in Appendix III.

The purpose of this Relationship Framework is to provide the basis on which the relationship between the Minister and ILPGH shall be governed.

The Board has full responsibility and authority for all of the operations and business of ILPGH in accordance with its legal and fiduciary duties and has responsibility and authority for ensuring compliance with the regulatory and legal obligations of ILPGH (including, for the avoidance of doubt, the legal and regulatory obligations of ILP). It is recognised that ILP is a licensed bank that is regulated by the Central Bank and this Relationship Framework will operate at all times in compliance with Regulatory Requirements.

It is further recognised that ILPGH has shares and other instruments listed or traded on various exchanges and that ILPGH must comply at all times with the requirements of Listing Rules and other applicable rules relating to securities and instruments.

This Relationship Framework provides for safeguards as to the separate management of each of the State's interests in Irish credit institutions (including in ILP through ILPGH) in order to ensure that those interests, and the management of those interests, do not lead to a prevention, restriction or distortion of competition in contravention of merger control or competition law rules.

The Minister expects the Board and management team of ILPGH to conduct ILPGH's commercial operations in a prudent and sustainable manner which seeks to create a commercially oriented credit institution which recognises the need to encourage and enforce implementation of lessons learned from the financial crisis.

The Minister expects the Board and management team of ILPGH to ensure that ILPGH adheres to the State Agreements.

RELATIONSHIP BETWEEN THE MINISTER AND ILPGH

1. The meanings of defined terms used in this Relationship Framework are set out in Appendix I.
2. The Minister recognises that ILPGH remains a separate economic unit with independent powers of decision and that its Board and management team retain responsibility and authority for determining ILPGH's strategy and commercial policies (including business plans and budgets) and conducting its day-to-day operations. The Minister will ensure that the investment in ILPGH is managed on a commercial basis and will not intervene in day-to-day management decisions of ILPGH (including with respect to pricing and lending decisions).
3. The Minister will engage with ILPGH in accordance with best institutional shareholder practice in a manner proportionate to the shareholding interest of the State in ILPGH.

4. Subject to the provisions of paragraph 19 concerning confidential, commercially sensitive or personal information, the Minister expects ILPGH to conduct its dealings with the State in a transparent, cooperative and proactive manner which fully recognises the significant level of support provided to ILPGH since 2008.
5. The Minister may delegate the exercise of his functions, and his engagements with ILPGH, under this Relationship Framework to a nominee to be appointed by the Minister for those purposes. The Minister shall notify ILPGH in writing of any such delegation and appointment.
6. The views of the Minister and Department are expected to be appropriately considered by the Bank as part of any consultation process under this Relationship Framework. However, the Board and management team have full responsibility and authority for determining the Bank's strategy and commercial policies.

COMPETITION AND COMMERCIAL INFORMATION

7. The Minister will ensure that the State:
 - 7.1 manages and maintains its interest in each credit institution separately from the management of its interests in other credit institutions;
 - 7.2 does not exercise its rights in ILPGH (including, for the avoidance of doubt, ILP) and any rights held by the State in any other credit institution, or otherwise manage the State's interests in credit institutions, in a manner which would result in a prevention, restriction, distortion or significant lessening or impediment of effective competition or an abuse of dominance;
 - 7.3 exercises its rights in ILPGH (including, for the avoidance of doubt, ILP) and any rights held in other credit institutions to seek to ensure that there are no cross-directorships between such institutions; and
 - 7.4 puts in place effective barriers to prevent sensitive commercial information passing via the State between ILPGH (including, for the avoidance of doubt, ILP) and any other credit institution in which the State has an interest as a result of State intervention.
8. For the avoidance of doubt, each credit institution in which the State has acquired an interest, including ILP (through ILPGH), unless legally merged with another credit institution, continues to operate as an independent competitor in the market and sections 4 and 5 of the Competition Act 2002 and Articles 101 and 102 of the Treaty on the Functioning of the European Union continue to apply to each credit institution on that basis.

MINISTERIAL CONSENT OR CONSULTATION

9. Where the consent of, or where consultation with, the Minister is required by ILPGH pursuant to any Consent/Consultation Document or otherwise, ILPGH shall submit its Consent Request or Consultation Briefing as appropriate in accordance with the Consent/Consultation Procedure. Only consent issued by or on behalf of the Minister in writing (including by email) pursuant to a Consent Request shall satisfy the requirement of ILPGH to obtain a relevant consent under a Consent/Consultation Document.

10. If ILPGH is unclear as to whether an action is subject to consent or consultation in accordance with the Consent/Consultation Procedure, ILPGH may write to the Minister informally and outside of the Consent/Consultation Procedure to seek confirmation from the Minister in this regard. If the Minister does not respond within three Business Days, ILPGH may assume that the action is not subject to consent or consultation in accordance with the Consent/Consultation Procedure. No guidance given by the Minister in relation to whether consent or consultation is required in respect of a matter shall constitute a precedent for, or restrict the Minister from taking a different view on, another matter.

MATERIAL MATTERS

11. For the purposes of this Relationship Framework, a matter, issue, action, decision or event shall be deemed to be “**Material**” if, in the reasonable opinion of the Board or the Chief Executive Officer of ILPGH:
- 11.1 it is an acquisition, investment or disposal other than in the ordinary course of business and the total purchase price, investment or proceeds is likely to exceed €50 million;
 - 11.2 it is a realisation, reorganisation, restructuring or other transaction or event other than in the ordinary course of business and the adverse impact on Core Tier 1 Capital of ILPGH is likely to exceed €50 million (with the exception of day-to-day decision-making with respect to provisioning and impairments); or
 - 11.3 it is likely to create clear and significant reputational issues for ILPGH, the Minister or the State and it is outside of the ordinary course of business.

ROLE OF THE BOARD

12. The Board has responsibility and necessary authority for:
- 12.1 all of the operations and business of ILPGH in accordance with its legal, fiduciary and prudential duties; and
 - 12.2 ensuring strict compliance with the regulatory and legal obligations of ILPGH (including, for the avoidance of doubt, ILP), including any obligations arising under the CIFS Scheme, the ELG Scheme, the NAMA Act, CISA (including any orders or requirements thereunder), CIRA (including any orders or requirements thereunder), the Competition Act 2002 and Regulatory Requirements;
 - 12.3 ensuring that: (i) there are, at all times, a sufficient number of directors to convene and hold quorate Board meetings; and (ii) the Board includes a number of independent directors consistent with best practice in corporate governance; and (c) no director becomes or remains a director of any other credit institution with a significant retail customer presence in Ireland, except where such entities are within ILPGH’s group.

BUSINESS PLAN

13. The preparation of the Bank's Business Plan is a primary responsibility for the Board. The Business Plan, encompassing strategy (including the Bank's sectoral lending plan) and appropriate financial targets, will be prepared and updated at least annually having regard to the Restructuring Plan. A copy of the draft Business Plan will be sent to the Minister for consultation in accordance with the Consent/Consultation Procedure before the Business Plan is finalised and adopted by the Board. The views of the Minister should be considered by the Board, however final responsibility for the content of the Business Plan rests with the Board.

RESTRUCTURING PLAN

14. Subject at all times to regulatory approvals and Regulatory Requirements, ILPGH shall, insofar as it is within its power and control:
 - 14.1 implement the Restructuring Plan (once approved by the European Commission under EU State aid rules);
 - 14.2 ensure full compliance with any Commitments; and
 - 14.3 co-operate fully, and consult where required, with the Minister, the European Commission and any Monitoring Trustee in connection with the Restructuring Plan, the Approval Decision and any Commitments.
15. ILPGH shall inform the Minister promptly of any failure, or anticipated failure to meet the Commitments.

BOARD AND SENIOR EXECUTIVE APPOINTMENTS

16. The Board will obtain the prior written consent of the Minister in accordance with the Consent/Consultation Procedure before appointing, re-appointing or removing the Chairman or Chief Executive Officer of ILPGH or ILP.
17. The Minister will continue to work with the Board to strengthen its membership through the appointment of suitably qualified, independent non-executives. The Board will consult with the Minister in accordance with the Consent/Consultation Procedure in respect of any Board appointments which it proposes.
18. The Chief Executive will notify the Minister in writing of any Senior Executive appointments prior to appointment.

COMMUNICATIONS AND CO-OPERATION

19. Any confidential, commercially sensitive or personal information provided to the Minister under this Relationship Framework shall be clearly marked as such and will be treated accordingly by the Minister in accordance with the applicable law.
20. The Minister requests that all documents circulated for Board meetings of both ILPGH and ILP shall be provided to the Minister at the same time as they are provided to the Board. The

Minister expects that ILPGH will also provide the Minister with information and documentation which has been reasonably requested by the Minister from time to time.

21. ILPGH will inform the Minister in writing of any proposed appointment or engagement by ILPGH of any third party financial adviser, legal adviser or other adviser in relation to a Material matter where the total aggregate fees, including for the avoidance of doubt discretionary payments, to be paid to the adviser is reasonably expected to be in excess of €2.5 million.
22. The Minister expects that Board or the Chief Executive Officer to bring promptly to the attention of the Minister in writing any Material matter of which the Board or the Chief Executive Officer becomes aware. The Minister shall not be deemed to be on notice of a matter as a result of being in receipt of other documentation, including Board papers, which relate to that matter.
23. The Minister highlights the importance of clear and consistent external communications and the Minister expects that all communications by ILPGH and the Minister will be made in this spirit. The Minister expects ILPGH to notify the Minister in writing of any public statement relating to a Material matter at the earliest possible opportunity prior to making the public statement, except where ILPGH is required to make the public statement in advance of such notification in order to meet ILPGH's legal or regulatory requirements.
24. Senior management from ILPGH will meet with Department officials on a monthly basis to discuss the achievement of the Business Plan, highlighting any material developments or trends.
25. The Minister (or his nominee) will meet with directors of ILPGH at their reasonable request to discuss any important matters relating to ILPGH. Similarly, the Board will meet with the Minister (or his nominee) at his reasonable request. The Board may also request to meet the Minister personally in relation to matters of appropriate importance or sensitivity.
26. Given the importance of maintaining adequate credit flows, ILPGH will consult with the Minister in relation to material changes to its sectoral lending plan. The Minister's views will be considered by the Bank in the context of the Board's assessment of the credit risks involved and its determination of credit risk appetite appropriate for the Bank. The Minister will have no function in individual lending decisions or the pricing of loans, both of which remain the responsibility of the Board and management of the ILPGH.

MATERIAL LITIGATION

27. ILPGH shall keep the Minister informed promptly in writing of developments in relation to any Material Litigation. Prior to the conclusion of any Material Litigation and/or before agreeing to the terms of any settlement in relation to Material Litigation, ILPGH shall consult with the Minister in accordance with the Consent/Consultation Procedure in relation to the Material Litigation.

REMUNERATION, INCENTIVISATION, PENSION, REDUNDANCY AND SEVERANCE ARRANGEMENTS

28. The Minister's objective is to support remuneration levels which, having regard to the capital and financial position of ILPGH, are balanced and sufficient at all levels across the

organisation in the current market to attract, motivate and retain the type of experience and talent which is required to achieve the Business Plan.

29. The Minister will require that any incentive arrangements for Directors and Senior Executives are closely related to their performance, measured by the achievement of relevant targets, such targets having regard to the achievement of the Business Plan.
30. ILPGH shall comply with all covenants relating to remuneration, incentivisation, pension, redundancy and severance arrangements under the State Agreements. Where consent is required under the State Agreements in relation to remuneration, incentivisation, pension, redundancy or severance arrangements, ILPGH shall submit its request for consent in accordance with the Consent/Consultation Procedure. In addition, for the avoidance of doubt, ILPGH will continue to adhere to the CIROC guidelines and any other applicable obligations arising under the CIFS Scheme and the ELG Scheme in relation to remuneration, incentivisation, pension, redundancy and severance arrangements.

OVERSEAS OPERATIONS

31. The Minister recognises that different operating environments apply in different jurisdictions and that the overseas businesses of ILPGH must be managed in accordance with local market conditions which may not be the same as in Ireland. The Minister will give due consideration to, and take due account of, this factor.

NON CORE UNIT OPERATIONS

32. The Minister expects ILPGH to continue to engage with the Department in respect of ILPGH's deleveraging programme in accordance with the Department's policy for bank deleveraging.

COMPLIANCE WITH REQUIREMENTS, COMMITMENTS AND UNDERTAKINGS

33. ILPGH shall comply fully with all requirements, commitments and undertakings (including all commercial restrictions and obligations) under the State Agreements. In the event of a conflict between this Relationship Framework and any of the State Agreements, the latter shall prevail.

MATTERS FOR CONSULTATION

34. In addition to any consultation matters referred to previously in this document, the Minister expects the Board to consult in writing with the Minister in accordance with the Consent/Consultation Procedure in respect of any of the Matters for Consultation in advance of concluding on any such matter.
